

I am quite concerned about Sinclair Broadcasting's decision to require their stations to preempt regular programming to air an anti-Kerry documentary days before the election.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. I believe this action is a clear violation of the law and regulations regarding electioneering, and clearly biased and coercive behavior on the part of the corporation.

Sinclair's actions need to be investigated and sanctioned. Thank you.
